Educational Rally Day to Be Feature in Every County During Normal Institutes

Woman's Auxiliary of New Mexico Exposition Committee Has Plan to Advise State's Progress and Boost Cause of Education.

The Woman's auxiliary of the New Mexico Exposition commission has undertaken the celebration of an "Educational Rally Day" in each county to be held during the sessions of the Normal institutes. It is proposed to make this Educational Rally Day not only of great consequence to New Mexico's educational exhibit at San Diego, but for the cause of education in general. Few people, even in New Mexico, have an adequate idea of the marvelous progress that has been made the past few years in educational lines, and this rally day is to set this progress before them in a graphic manner. The plan will be to have not only the teachers but also the school directors of the entire county, as well as many of the parents, patrons and taxpayers, attend this rally. The children are to be trained in exercises, that are to be rendered in the open or in auditoriums, as well as in historical dramas or pageants which are to be photographed for reproduction in colored slides and to be exhibited at San Diego. At the same time there are to be addresses by leading educators and exhibits such as County Superin-

tendent John V. Conway will hold in the Palace of the Governors at Santa Fe, on the last two days of February. The progress made in manual training and domestic science will be especially emphasized and a special feature will be pictures of children at work in their class rooms. The educational authorities have already promised their hearty co-operation to make Educational Rally Day in each county the most important event of the year. Mrs. W. J. Foyette of East Las Vegas is chairman of the committee in charge. Mrs. R. F. Asplund of Santa Fe is secretary; Miss Aurora Lawrence, also of Santa Fe, is assistant. On the executive committee there are in addition Mrs. A. B. McMillen of Albuquerque and Miss Flora W. Conrad of Santa Fe. The other members are: Mrs. R. P. Donohoe of Tucuman; Mrs. W. A. Johnson, Roswell; Mrs. J. J. Shaler, Raton; Mrs. A. W. Hockenbush, Clovis; Mrs. G. W. Frenker, Las Cruces; Mrs. E. B. Kemp, Artesia; Mrs. C. K. Angle, Silver City; Mrs. C. H. Stearns, Santa Rosa; Mrs. W. L. Gumm, Carrizozo; Mrs. Kate E. Moir, Deming; Mrs. Stella Morris, Gallup; Miss Lena Fenton, Wagon Mound; Mrs. G. W. Young, Tularosa; Mrs. Samuel Eldred, Chamita; Mrs. A. A. Rogers, Portales; Mrs. R. M. Johnson, Aztec; Mrs. J. J. Fitch, Socorro; Mrs. Alexander Gundorf, Taos; Mrs. Harry Elmer, Moriarty; Mrs. John A. Pace, Clayton; Mrs. Eduardo Gero, Los Lunas; Sister Margaret Mary, Fernhill; Mrs. Charles Anderson, Kingdon.

ADJUTANT GENERAL WANTS ANOTHER LOCAL COMPANY

Believes Albuquerque Fully Able to Support Two National Guard Organizations; Is Pushing Militia.

Adjutant General Harry T. Herring and Mrs. Herring arrived on the California limited this morning from Santa Fe and are guests at the Alvarado for the day. They will leave this evening for Roswell, where Mr. Herring goes to inspect the Roswell national guard battery.

"I am surprised that there should have been so much trouble in recruiting a second national guard company in Albuquerque," said General Herring this morning. "Everywhere else in the state the liveliest interest is being shown in the national guard organization and we are having no trouble at all in maintaining the companies at their full strength. With your fine army here, and with the size of the city considered, we certainly should have two companies, and I am determined to secure the organization of a new company if it can be done."

MANY ALBUQUERQUE MEN TO SANTA FE

Large Delegation of Masons Leave Tonight and Tomorrow to Participate in Scottish Rite Meeting.

Albuquerque will be represented by a large delegation of prominent Masons at the meeting of the Scottish Rite Masons of New Mexico in Santa Fe, February 21-23, inclusive. Several of the Scottish Rite men of this city will go to Santa Fe by train tonight and tomorrow, while several automobiles will make the trip to the capital tomorrow afternoon. The Scottish Rite meeting is expected to bring representation from all parts of the state and a large attendance is anticipated.

WILL OPEN HIGHWAY THROUGH ABO CANYON

Willard and Mountainair Roadmakers Unite in Effort to Bring Panhandle-Pacific Route Through Their Towns

At a meeting of road enthusiasts and boosters held Wednesday at Mountainair and attended by many business men from Willard, plans were completed for the immediate opening of a first-class highway through Abo canyon into Helen, connecting with the state highway to Albuquerque. The log of the Panhandle-Pacific highway as now completed leaves both Willard and Mountainair off the route, passing through Espanola and reaching Albuquerque by way of Tijera canyon. It is proposed to open the magnificent scenery of Abo canyon to tourists and at the same time make such a perfect highway that the log will be changed and the Panhandle route diverted through Willard, Mountainair and Abo. At the meeting Wednesday it is understood that sufficient funds were pledged and labor secured to guarantee the immediate construction of the highway through the canyon.

LARGE AUDIENCE WILL GREET TENOR LEON RICE

Distinguished Artist to Give Evening of Song at First Methodist Church Tomorrow Night.

Indications point to a large audience to greet Leon Rice, the eminent American tenor, who gives his famous "Evening of Song" at the First Methodist church tomorrow night. It is seldom so distinguished an artist of international reputation can be induced to appear in the smaller cities. Music lovers here are to be congratulated that circumstances have arisen which will permit of hearing this talented artist. He has given over 2,500 recitals in American and abroad.

He will be assisted by Jennie Cansler, at the piano. As an accompanist Mr. Rice has few superiors. When but a child she won the medal for piano playing at the Chicago World's Fair, and has since appeared in over 2,000 recitals.

A letter from Rev. Dr. W. E. Crutcher, the eminent pastor of Central Christian church, Santa Fe, says: "Speaking of the appearance of Leon Rice, tenor in my church, I desire to add that the largest audience in the history of the church assembled to hear him, and that on a Monday night. Union meetings of all the downtown churches failed to fill the great Central auditorium, but Leon Rice did, and more than five hundred jammed the street about the entrance unable to get inside."

At the morning service tomorrow, by request, Mr. Rice will sing the "Ninety and Nine," by Campion. The evening program will be sufficiently diversified that all classes will enjoy his sweet voice. No seats will be reserved. First, arrive will secure choicest seats, all free. Silver offering.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing her work.

The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

DOESN'T IT AGGRAVATE YOU

When you have only one pair of glasses, which you need constantly, to have a mishap and break a lens, and then have to worry about without glasses until the broken lens can be replaced?

And it seems that such exasperating accidents have a habit of happening just at the most inopportune times—when one is out-of-town, picking up, shooting—in fact any time when it is inconvenient.

AN EXTRA PAIR on hand for emergencies immensely reduces exasperation, conserves the eyes, words, and instead of just evaporating for want of strong enough language to express your chagrin, you can pat yourself on the back with a cheerful grin—and put on the other pair.

WE CAN DUPLICATE ANY LENS FROM THE ORIGINAL WITHOUT PRESCRIPTION, or a broken lens, if you have the pieces.

All Except One.

The old man had been away to the pasture, counting his pigs, of which he had a good many. He was not, as everyone who knew him said, "a smart man," but it was, of course, supposed that he was intelligent enough to count the number of things—and he had not very many—in his possession.

A neighbor asked him: "Well, Mr. Wray, how many pigs have you?"

"Wal, I dunno, precisely," he replied. "I counted 'em all except one little runt, and hit kept runnin' round so I couldn't count hit."—Youth's Companion.
